

HOMER VILLAGE OFFICES CLOSED

COVID-19 VIRUS UPDATE

Effective Tuesday, March 23, 2020, the Homer Village Municipal Office will be closed to the general public in response to the COVID-19 virus and Gov Gretchen Whitmer's Executive Order (2020-21). Additionally, office hours will be in the morning only, from 8:00 am to Noon every day. Village employees will still be working inside to take calls and questions during these revised work hours. There will be no personal office contact. Remember, water bills may be paid online thru the Village website, HomerMichigan.org, or deposited in the drop box next to the front door. The Village will be waiving late charges for this quarter. Receipts will be mailed within 24 hours.

We all know that this is a changing dynamic, so we will be constantly monitoring this situation. Follow us for any changes that could happen at any time on Facebook, our website or notice in The Homer Index.

Any regular questions, please feel free to call the office during the revised working hours at 517-568-4321. For water/sewer emergencies, please call 517-936-3985. For other emergencies, call 517-206-0871.
