

***Village of Homer Water Bills***

***Some residents may have received a standard Past Due Notice for unpaid Water/Sewer bills. Due to the Covid-19 virus, be advised that water will NOT be shut off, NOR will late fees be applied to this quarter's bills. This DOES NOT absolve anyone of the obligation to clear up any past due amounts, once it is determined by the Village to re-instate normal procedures.***

Regards,

Art Kale  
Village Manager  
Homer, Michigan 49245
