Homer Lake has been scheduled for the **week** of:

Date	Description	Date	Description
5/11/2026	Weed and Algae Treatment	7/20/2026	Weed and Algae Treatment
6/15/2026	Weed and Algae Treatment	8/17/2026	Weed & Algae Treatment

Property owners in this area are planning herbicide treatments to control nuisance weeds and/or algae. This notice is issued in accordance with Department of Environment, Great Lakes, and Energy (EGLE) procedures. EGLE permitting restrictions, national holidays, and weather conditions may affect the timing of treatments during the 2026 season. PLM schedules each waterbody treatment in coordination with your lake association, lake board, or residents. The treatment schedule is approximate. Please watch your shoreline for 8.5 11-inch yellow or green signs, which will indicate the treatment date, the products used, and any restrictions on water use for swimming, irrigation, or other activities.
The following is a list of herbicides that may be applied, along with their associated use restrictions. On the day of treatment, signs will be posted along the shoreline within 100 feet of treated areas, specifying the products used and any applicable water use restrictions.
